Call For Papers

Invited Session
Intelligent Systems

In order to get high quality papers, we invite you to submit paper to Invited Session on Intelligent Systems in International Conference on Machine Learning and Cybernetics (ICMLC) 2024.

Description

The goal of this invited session is to bring together researchers interesting in intelligent systems. Researchers from these areas are encouraged to submit proposals to present their work related to intelligent systems. Submissions will be evaluated on the basis of their innovation, relevance, scientific contribution, and presentation.

Topics of Interest

- Neural nets and support vector machines
- Intelligent and knowledge based systems
- Intelligent agent
- Inductive learning
- Intelligent control
- Sample and feature selection
- Evolutionary computation
- Data mining
- Automated reasoning
- Knowledge-based systems
- Information retrieval and integration
- Machine learning
- Pattern recognition
- Robotics
- Speech recognition and synthesis
- Mobile intelligence
- Web intelligence
- AI applications
- Computer vision
- Image processing
- Intelligent e-learning/tutoring
- Semantic web
- Other related topics

Important Dates

Submission Due:	**20 May 2024**
Notification of Acceptance:	**20 June 2024**
Registration Due:	**20 August 2024**
Camera-Ready:	**20 August 2024**

Paper Submission

Authors must submit an electronic copy (in word or pdf) of their complete manuscript directly to the Session Organizer (smchen@mail.ntust.edu.tw).

Organizer

Professor Shyi-Ming Chen
National Taiwan University of Science and Technology, Taiwan
(smchen@mail.ntust.edu.tw)
