Invited Session Fuzzy Systems

In order to get high quality papers, we invite you to submit paper to Invited Session on Fuzzy Systems in International Conference on Machine Learning and Cybernetics (ICMLC) 2024.

Description

The goal of this invited session is to bring together researchers interesting in fuzzy systems. Researchers from these areas are encouraged to submit proposals to present their work related to fuzzy systems. Submissions will be evaluated on the basis of their innovation, relevance, scientific contribution, and presentation.

Topics of Interest

- Fuzzy reasoning
- Fuzzy control and robotics
- Fuzzy image, speech and signal processing
- Vision and multimedia, and pattern recognition
- Fuzzy data mining
- Fuzzy time series
- Fuzzy forecasting
- Fuzzy expert systems
- Fuzzy neural networks
- Fuzzy information processing
- Fuzzy decision making
- Computing with words
- Granular computing
- Rough sets
- Grey systems
- Fuzzy data analysis
- Industrial, financial, and medical applications
- Applications of fuzzy systems
- Other related topics of fuzzy systems

Important Dates

Submission Due:	20 May 2024
Notification of Acceptance:	20 June 2024
Registration Due:	20 August 2024
Camera-Ready:	20 August 2024

Paper Submission

Authors must submit an electronic copy (in word or pdf) of their complete manuscript directly to the Session Organizer (smchen@mail.ntust.edu.tw).

Organizer
